## **OMAR RAZA**

### **1. What is your program and year of studies at Grenfell Campus?**

I am a 4<sup>th</sup> Year Visual Arts student.

### **2. What skills, experience, and interests would you bring to the role of GCSU Vice-president Executive?**

- Firsthand knowledge of the GCSU after serving as a councillor already.
- Experience in provincial Canadian Federation of Students meeting.
- Holding the position of the CFS provincial representative of International Students, Newfoundland & Labrador.
- Actively being part of clubs and societies and volunteer service on Grenfell

### **3. Why do you wish to run for GCSU executive office?**

- To increase the participation of clubs and societies so students can have more options for activities.
- To help the entertainment committee to come up with more interesting events which bring in more people.
- To try and improve the fiscal deficit of the Backlot.

### **4. What changes or improvements would recommend for the GCSU?**

- The GCSU needs to hold more events to create awareness of its existence amongst the student body.
- Hold student activist training and workshops regarding issues and leadership development for the students.
- Continue with the existing campaign and come up with new ones.

## **5. What changes or improvements would recommend for Grenfell Campus?**

- Improvement on the students participation in events and bring in together local and international students.
- To bring in changes in the tuition fee structure and to offer better service and faculties in par with the tuition charged.
- Community exchange programs should be introduced in different departments for students to get hands on experience.
